

B.I.G. Love Cancer Care presents

Our daughter, Brooke, was diagnosed with acute myeloid leukemia at the age of three. After two years of fighting courageously through intense chemotherapy and a bone marrow transplant at TCH, in 2006, she passed away. It is because of her love, and our experience as a cancer family that we created B.I.G. Love Cancer Care Services.

It is our desire to serve other cancer families in a very real and loving way - always addressing their most basic and essential needs first. B.I.G. Love provides weekly groceries to all 36 cancer rooms at Texas Children's Hospital as well as monthly toys for the cancer clinic. We also provide new diagnosis bags, parking passes, catered meals, overnight accommodations, and holiday gift baskets and meals. Each week, B.I.G. Love serves hundreds of cancer kids and their families. Since B.I.G. Love is an entirely volunteer-based organization, funds raised at this event will go directly to meet the needs of our families.
